Success Pathway Independent Recruiter

ABOUT SUCCESS PATHWAY

Success Pathway exists to provide international students with a strategic plan to maximize his or her educational activities in preparation for submitting an outstanding college or university application, resulting in acceptance into prestigious schools in the U.S. We guide students every step of the way, from developing a comprehensive plan for success through high school, to the final submission of higher education applications and acceptance.

JOB DESCRIPTION

The Recruiter will solicit inquiries and applications from international students in their native country to participate in the college/university preparation programs offered; High School Action Plan, College/ University Admissions and Application Counseling, Campus Visits and Tours, Online and One-To-One Personal Tutoring, Pre-College Summer Programs and Scholarship and Financial Aid Application.

JOB RESPONSIBILITIES

- Promote Success Pathway and its programs to prospective students overseas and their recruitment area for the purpose of acceptance to U.S. College/Universities.
- Distribute marketing material and promote Success Pathway on social media platforms.
- Implement recruitment tools; actively seek recruitment events and ways to promote Success Pathway; identify opportunities for growth in marketing campaigns.
- Identify and follow up with prospective students and parents.

- Send as many qualified applicants as possible with a minimum guarantee of two (2) students per academic year.
- Cultivate relationships with high schools and other educational professionals who work with high school students with interest to pursue their higher education in the U.S.
- Maintain a strong relationship with clients and Success Pathway staff.
- Communicate with prospective students in their native language, if needed.
- Arrange for Skype interviews between student and Success Pathway.
- Perform other duties as assigned.

QUALIFICATIONS

Independent recruiters must have a minimum of an Associate's Degree. Bachelor's degree preferred. Experience in education, marketing, and college admissions or working with high school aged children is highly recommended. Fluency in English a must.

- Must demonstrate strong leadership and marketing skills.
- Passion for meeting new people and representing Success Pathways mission.
- Excellent customer service skills.
- Results driven.
- Capable of working without direct supervision.

Job Type: Contracted

Salary: 15% of the profit made on each of the program packages secured by Success Pathway.

Additional compensation:

Percentage increases with number of recruited students.

Possible bonuses include paid airfare to and from destination of choice within the U.S.A.
